Track Car Operator Open Book RULES EXAM 2022

Open Rulebook (May 24, 2022) fill in blanks exactly as in the Rulebook, including any SPECIAL ORDERS that are in effect at the time of your test. Check the Special Orders BEFORE taking your test!

1. Normal Operation consists of Trolley Car operations on the Stall 2, _____ and Main Tracks, and Pump Car operations on the _____ Track.
2. The Rules contained herein have been adopted to take effect _____, _____, _____, and will replace all existing Rules.
3. Track Cars may only be operated when a qualified _____ is on board.
4. The _____ sign on the Middle Track should be kept raised but may be lowered temporarily for Special Operations. All other STOP Signs should be kept lowered for Normal Operations.
5. All on-rail equipment, except the trolley, may only occupy a track that is _____ by a raised STOP sign or red flag.
6. Before _____ of a track for Special Operations, the following steps should be taken:
 - Conduct a Job Briefing with all affected Operating Personnel, including any on-rail equipment moves required to arrange the Special Operation,
 - Once track is clear, raise STOP sign and mark with _____ - _____.

7. At the end of _____ Operations, remove all on-rail equipment from the track, position the STOP Signs for Normal Operation and inform all other Operating Personnel that the track is _____ for Normal Operations.
8. All Turnouts must _____ be left lined and locked for the next trolley movement after a Track Car has passed through the Turnout unless otherwise authorized by General Manager.
9. Track Cars that are not in use must be _____ or otherwise immobilized.
10. The _____ of any Track Car must be _____ for proper operation before being used each day.
11. All Track Car Operators must check for approaching _____ before entering any section of track that other vehicles might be _____.
12. No more than three _____ may ride the Pump Car at any time. All Passengers must be either _____, _____ the direction of travel, and holding a pump handle; or standing _____ and holding the loop handle on the A-frame.
13. _____ Passengers must keep both feet on the floor when the Car is moving. The Operator must keep at least one foot on the floor.
14. The _____ must restrict the speed to allow stopping in a reasonable distance. The speed must also be restricted for the comfort and security of Passengers.
15. If there is danger of _____, Track Car operations must be suspended and all persons must stay away from rails and other places of danger until the danger of lightning has passed.
